

3rd Multinational Energy and Value Conference

July 7 – 10, 2011, University of Groningen, Faculty of Economics and Business, The Netherlands

The objective of the conference is to bring together academics and practitioners from all over the world to focus on timely valuation issues in the energy sector. Papers dealing with developed as well as developing countries are welcome. Specific topics must refer to energy issues and include, but are not limited to:

Financial Regulation; Financial Markets; Financial Risks; Asset Pricing; Value at Risk; Capital Structure; Sourcing Capital; Corporate (Re-) Structuring; Corporate Governance; Behavioural Finance; Financial Performance; Cost Control; Financial Accounting; Fiscal and Legal Issues.

Please e-mail to w.westerman@rug.nl, c/o Prof. Wim Westerman, by the 17th February 2011, a copy of a completed or nearly completed paper. The title page should include the affiliation, address, phone, and e-mail of each author together with appropriate JEL classifications. Each participant agrees to serve as a discussant of a paper of his/her own area of interest, if needed.

Selected papers may be submitted for publication in the "Energy and Value Letter", edited by the Center for Energy and Value Issues (CEVI), or in a book published by Springer Publishing.

Further information regarding conference organisation and accommodation specifics, travel arrangements, fees and activities will be published on the conference website. Besides paper presentation sessions, the conference also includes a "practice day".
